I hereby certify that I have read and understood the rules and regulations of the Clermont Crew. I have read and I understand the safety policy. It is acknowledged that rowing is a water sport and carries the possibility that a boat will flip or overturn and thereby spill the rower(s) in to the water. Therefore, the ability to swim is considered essential to the activity or rowing. I certify that I am in good physical condition and have the ability to swim at least 100 yards without the aid of a flotation device, and can also tread water for at least 10 minutes in typical rowing clothes. I agree to abide by the rules and regulations and any changes as approved by the Board of Directors and communicated to me. I further recognize that my failure to follow the rules may result in a fine, suspension, or termination of my membership in Clermont Crew.
